**Casual Contact Exposure Locations – Tasmania****The following conditions apply to all Places outlined in the table on Pages 38 to 39 of this Notice****For all travellers:**

1. Persons who are currently in the ACT and have attended a listed Casual Contact Exposure Location in Tasmania are to undergo appropriate testing for COVID-19, regardless of whether symptoms are present, and quarantine at your place of residence or other suitable accommodation until informed of a negative test result
 - a. Persons who were at a casual contact location less than 5 days ago will need to undergo two tests. The person is to undergo the first test upon learning that they are a casual contact and quarantine until they receive a negative test result. The person must undergo a second test on day 6 after the person was at the casual contact exposure location.
 - b. Persons who were at a casual contact exposure location 5 or more days ago will only need to undergo one test, to be conducted as soon as possible upon learning that they are a casual contact. The person must remain in quarantine until the person receives a negative test result.
2. Continue to monitor for symptoms for 14 days from the date last in a listed exposure location, and if they experience any symptoms of COVID-19, they must go to a COVID-19 testing clinic to be retested.

Note: Irrespective of tests conducted under Point 1, persons who are Casual Contacts should get tested again for COVID-19 if the person experiences any symptoms of COVID-19, no matter how mild.

Note: A test means a Reverse transcriptase polymerase chain reaction (PCR) COVID-19 test. Rapid Antigen Tests are not considered a COVID-19 test for the purposes of this Direction.
