

We are running a pop-up COVID-19 Pfizer vaccination clinic at Turner Scout Hall

The clinic will be open on
Wednesday 27 October,
between 9am to 3:30pm.

People aged 12 years and over
can attend this pop-up clinic
for a FREE Pfizer vaccine.

You don't need to be an
Australian citizen, permanent
resident or have a Medicare card
to get one. We can give you
information about how to get
your vaccination certificate.

We are accepting walk-ins,
but would be grateful if you
can register for a spot so you
don't miss out!
