The ACT will increase elective surgery across the Territory in a careful and staged approach. This approach is in line with the Federal Government's announcement on 15 May 2020 that national restrictions on elective surgery have been lifted.	Daragdagan ng ACT ang mga elective surgery sa buong Territory sa maingat at paunti-unting paraan. Ang paraang ito ay alinsunod sa pahayag ng Pamahalaang Pederal noong 15 Mayo 2020 na tinanggal na ang mga paghihigpit sa elective surgery sa bansa.
Patients whose elective surgery has been confirmed and booked will be contacted directly by the relevant hospital. If your condition changes, make an appointment to see your GP or your surgeon.	Ang mga pasyente na may nakumpirma at na-book na elective surgery ay direktang kokontakin ng kaugnay na ospital. Kung ang iyong kondisyon ay nagbago, gumawa ng appointment para magpatingin sa iyong GP o sa iyong surgeon.
